Chapter 1 by Nate

Alexander is a logical teacher that teaches math at Buffalo state college in buffalo, NY. Today before he departs to go teach he saw on the news 3 mysterious deaths in toronto, canada . He rides the bus and wormed into a conversation about the 3 mysterious deaths in canada.

"Hello my name is, Alexander Boyd. what's yours?" said Alexander to the strangers.

One of them responded responded "My name is Alcott and this is Charles".

"Hi". Charles said

Alexander said "Let me guess english".

They both said "No way, how did you guess that?"

Alexander just smiles.

Charles said to Alcott "Anyway, so you wanna go to Toronto?"

Alexander said "Wait you guy are gonna go to Toronto?!?"

Alcott responded "Yeah I want to check what happened to the the 3 people".

Alexander responded "It just gives me the creeps but, interesting nonetheless. what is your guys's numbers, i might be going too".

They spurt out there numbers and alexander adds them to contacts.

After a few moments of silence Alexander says "Well this is my stop, see you around".

She approaches the new patient's door and thinks to herself This must be a really rich family. She rings the doorbell. The patient's mother opens the door and says "Ahh, Welcome! You must be Skylar's new doctor! My name is Natalie and I am her mother, if you need anything I'll be in the kitchen."

Kristin mumbles to herself "If I can find it." She yells"Where is Skylar?"

Natalie says "In the living room. ohh I forgot we have a Huge house I'll show you around!"

Natalie gives a quick tour of the house.

"Ohh, there you are!" She takes a seat " Hello skylar, how are you doing today?" skylar replies "Just fine thank you" "Good, good
